Dear Mr. Fitzwater:

I have received your letter of 30 Oct.85 which provides the determinations of the Information Review Committee relative to my FOIA request/appeal for all correspondence/documents generated by the CIA in response to congressional inquiries concerning the attack on the USS Liberty. Your response identifies 10 relevant documents of which 9 were determined releasable in part and the other was denied in full. None of the 9 releasable documents were enclosed with your letter and there was no explanation for their absence or when they would be sent.

Would you please clarify the status of these 9 releasable documents. Your prompt attention to this will be appreciated.

Sincerely,

[Redacted Signature]
